IT IS RECOMMENDED THAT YOUR BOARD:

A Tradition of Service

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

CDPR requires that the Resolution be adopted by your Board and be submitted with the Los Angeles County Sheriff's Department's (Department) grant application in response to the 2009-10 OHMVR Grant Program. The primary objective of CDPR's 2009-10 OHMVR Grant Program is to provide funding to selected law enforcement agencies in order to protect natural resources and enforce laws that regulate the use of off-highway motor vehicles and associated equipment. In meeting this objective, the Department will use the grant funds to implement Off-Highway Vehicle (OHV) Enforcement Programs administered by the Department's Santa Clarita Valley (\$176,311) and Palmdale (\$108,722) Sheriff's Stations.

The Department is in its seventh consecutive year of applying for funding from CDPR's OHMVR Grant Program. The goal of the Department's OHV Program is to reduce incidences of off-highway vehicle-related offenses and code violations throughout the Department's jurisdictions in Palmdale, Lancaster, Santa Clarita Valley and Crescenta Valley.

In order to successfully reduce the types of offenses and violations identified above, the Department will utilize the grant funds specifically to retain sergeant and deputy personnel on an overtime basis. These sergeants and deputies will be responsible for identifying and targeting areas where violations are highly prevalent and conducting coordinated enforcement efforts throughout the identified region. In addition to the Department's active involvement in the project, the Department will also collaborate with the United States Forest Service to ensure that efficient and productive enforcement of the problem areas exists during peak times, such as weekends and holidays.

Implementation of Strategic Plan Goals

The Department's OHV Enforcement Program is a multi-station effort directed at enhancing OHV enforcement operations, consistent with the County of Los Angeles' Strategic Plan, Goal 3, Community and Municipal Services; and Goal 5, Public Safety.

FISCAL IMPACT/FINANCING

Upon your Board's authorization to apply for funding under the 2009-10 OHMVR Grant Program, the Department will propose to implement an OHV Enforcement Program. The total grant amount requested is estimated at \$285,033. Cash or in-kind match at a minimum of \$71,258 is required, whereby, in-kind services will be provided by the Department.

This Board letter has been reviewed and the Resolution has been approved as to form by County Counsel.

This grant funding will have a positive impact on the services currently provided by the Department. With this funding, the Department will be given the opportunity to successfully accomplish the mission, goals, and objectives of the Department, as well as those of the 2009-10 OHMVR Grant Program.

CONCLUSION

Upon your Board's approval, please provide two individually adopted copies of this action and an original executed copy of the Resolution to the Department's Grants Unit.
